Medicaid Recovery Network

The **Medicaid Recovery Network (MRN)**, formerly the Medical Assistance Intercept System (MAIS), is a fully integrated, online solution customizable for all users and designed to match states' Medicaid recipient records against personal injury and workers' compensation claims indexed by insurers. MRN is an invaluable solution for states to mitigate overall medical assistance claim costs. The states of Rhode Island and Texas are currently experiencing a return as high as 10:1 for each dollar spent on services in a given month under the MRN program.

• Medicaid recovery solution • Online lookup functionality • Quality assured claim verification • NASPO ValuePoint Supplier Partner

The **Child Support Lien Network (CSLN)**, hosted by the State of Rhode Island, is the nation's largest child support consortium and has collected more than **$2.4 billion** for families nationwide since 1999. CSLN performs a unique quality assurance process on insurance matches so that members receive open, actionable matches.

• 32 Child Support Agencies • 2,200+ Insurance Members • Insurance Intercept • Lump Sum Payment Intercept • Life Insurance • Real Property • FIDM
